EDUCATION

University of Karachi - BS in Islamic Studies and Computer Technology

2022- 2025

I have done my bachelor's degree in Islamic Studies and Computer Technology, which strengthened my analytical thinking, ethical perspective, and research skills while building a solid foundation in computer technology and digital tools.

Metropolis Intermediate College

2020 - 2022

Home Economics helped me develop practical life skills, time management, and resource planning, which supported my academic studies by improving organization, problem solving, and balanced decision making.

SKILLS

1. HTML, CSS, BOOTSTRAP, JAVASCRIPT, AND PYTHON

HTML5, CSS3, BOOTSTRAP, JS and Python helped me build structured, responsive, and interactive websites, strengthening my front end development skills and enabling me to turn design ideas into functional web experiences.

3. VERSION CONTROL GIT AND GITHUB

Version control with Git and GitHub helped me efficiently manage code changes, collaborate with team members, and track project history.
